

## **Ms. Samar Shahid - Director**

Ms. Samar Shahid is a psychologist and mental health counselor holding a Master's Degree in Psychology from Columbia University, New York and Bachelor's degree in Psychology, Education and International Relations from Brandeis University.

She has considerable experience in the field of education and has served with organizations such as the Karachi American School and Haque Academy. She also runs a private clinic serving as a mental health professional. Over the years she has participated in a number of skills training programs which have focused primarily on Human Development and Education. Keen on giving back to the community, she currently chairs the Charity and Donation Committee at Tata Pakistan. Ms. Shahid firmly believes that education and human development are the bedrock of any young, modern and dynamic society.

She has recently joined the Board of Tata Best Foods Limited and has been on the board for Tata Pakistan since 2018.
